COMMON HOLIDAY CONTAMINANTS
Continue battling recycling contamination with us during the holiday season! Keep these common contaminants out of your recycle bin.

NO Plastic Bags, Film
Take plastic bags back to your local grocer to keep bags clean and dry, and prevent them from shutting down recycling facilities. Visit plasticfilmrecycling.org to find a drop off location near you.

NO Recyclables in Plastic Bags
Empty loose recyclables in bin but leave the plastic bag out.

NO Electronics & Small Appliances
Donate these items if they are in good condition. Check earth911.com for a local recycling site.

NO Holiday Lights
Donate these items if they are in good condition. Visit earth911.com to find recycling options.

NO Recyclables in Plastic Bags
Empty loose recyclables in bin but leave the plastic bag out.

NO Clothing
Donate these items if they are in good condition. Otherwise, they belong in the trash.

NO Batteries
Visit earth911.com to find a drop-off location near you.

NO Ribbons, Bows, Foil & Glitter Wrapping Paper
Plain, paper based wrapping paper can be recycled.

NO Trees, Tinsel, & Ornaments
Donate these items if they are in good condition. Otherwise, they belong in the trash.

THINK GREEN™
Manager’s Report

Wow, I can not believe the end of 2018 is here! Since the last newsletter, a lot has happened at the landfill. We completed widening entrance lanes and installing a third inbound scale. We’ve begun replacing the wheel wash bays and in early 2019, we hope to have our new entrance sign up at Wilson road. We are also in the process of planting fall rye grass on portions of newer fill areas.

In June, we worked with the Humble Baseball Association to help them put new rock down at the practice field parking lot. The new parking lot looks great and I am glad we were able to be a part of this fun project to help such a great organization. Speaking of organizations, I’d like to take a moment to encourage people to donate to the Humble Area Assistance Ministries (HAAM) Empty Stocking Toy Drive. This is a great cause to ensure that all children in the Humble area have the chance to receive a toy this Christmas. Donations are accepted until December 10th. For list a of drop-off locations, visit haamministries.org.

Last, but certainly not least, I would like to introduce the new Operations Manager for Atascocita Landfill, Andrew Berry. Andrew

FREE TREE RECYCLING

Stop by Atascocita Landfill from December 26th to January 6th, Monday–Friday from 7 AM to 5 PM, and Saturday from 7 AM to Noon to recycle your Christmas tree. The recycled trees will be used as mulch are the landfill and habitat. The trees must have all decorations, ornaments, tinsel, lights and stands removed. For more information, please feel free to contact the Atascocita Landfill at 281-446-6645.

As a friendly reminder, the Atascocita Landfill will be closed on December 25th for Christmas Day and on January 1st for New Year’s Day. For more information, please visit atascocitalandfill.wm.com.
