Atascocita Landfill Winter 2023

MANAGER'S REPORT

The winter months are here, and although colder weather is just around the corner, we have no signs of slowing down at the landfill.

The 11-acre cell project originally scheduled to begin in October was pushed back. Excavation crews were finally able to begin work on December 7. The new cell will provide 1.3M cubic yards of space for the landfill, which will hold approximately one year's worth of volume. This cell construction is about a three-month process, so we expect the work to be completed by late March or early April 2024.

We are currently finalizing another round of gas well work. Multiple horizontal and vertical gas lines were installed, and we're activating eight new gas wells for extracting landfill gas and converting it into natural gas.

Out in the community, we were proud to participate in Park Lakes Elementary's Trunk-Or-Treat event. WM passed out candy to more than 100 students and their families. We are thrilled to continue sponsoring Park Lakes through the remainder of the school year by donating to their special education life skills class.

This holiday season, we are partnering with FamilyTime Crisis & Counseling Center for a clothing drive. FamilyTime provides care and assistance to domestic violence victims and their families in the Lake Houston area. With cooler temperatures, FamilyTime is in need of clothing items sizes S-2XL for women & men

Sr. District Mgr.

residing in the shelter. Now through December 14, we are accepting donations of sweatpants, sweatshirts, leggings and T-shirts for their clients. You can drop items off at the landfill scalehouse or contact Wanda at 281-318-4686 for more information.

We hope you and your family have a safe and happy holiday season! We are truly thankful for the great community in which we operate.

RECYCLE RIGHT FOR THE HOLIDAYS

'Tis the season to Reduce, Reuse, and Recycle! Make sure you stay on the Holiday Recycling Nice List.

NAUGHTY LIST

Throw items in the trash, reuse or donate.

- Holiday Trees
- Wreaths
- Garland
- Ornaments
- Holiday Lights
- Power Cords
- Toys
- Plastic Sleds
- Electronics
- Foam Packing Inserts
- Packing Peanuts
- Bubble Wrap
- Plastic Air Bags
- Plastic Bags
- Ribbons and Bows
- Glossy/Glittery: Greeting Cards, Wrapping Paper, Gift Bags/Boxes

NICE LIST

Put clean items in recycling carts.

- Cardboard Boxes
- Paper-Based Packing Materials
- Plastic Cider/Eggnog Jugs
- Plastic Water/Drink Bottles
- Aluminum Beverage Cans
- Metal Food Cans
- Plain/White: Greeting Cards, Wrapping Paper, Gift Boxes, Gift Bags (handles removed)
